Recommendation Letter

I am writing to provide a strong recommendation for **Mr. Hussain Ahmad Khan** bearing Registration No **19BNCIV038**, who is applying for admission to the **Southeast University** for the Master's program. I have had the distinct privilege of being Hussain Ahmad's academic advisor and the supervisor of his final year project during his tenure at the University of Engineering and Technology Peshawar (Bannu).

In my role as Hussain Ahmad's academic advisor and project supervisor, I closely monitored his academic progress and leadership skills. He held the position of group leader for our final year project, which he handled with exceptional competence and dedication.

Hussain consistently displayed excellent performance both as a group leader and in his individual contributions to the project. His strong organizational abilities and effective team collaboration were evident as he skillfully guided and coordinated his team members to ensure the project's success. His leadership played a pivotal role in our project's accomplishments.

Hussain Ahmad's exceptional work ethic, self-motivation, and unwavering commitment to academic excellence set him apart as a remarkable scholar. His dedication to his studies and research, combined with his collaborative spirit, make him an ideal candidate for advanced academic pursuits in the field of Civil Engineering.

Based on my close observation and assessment of Hussain Ahmad, I wholeheartedly endorse his application for the master's program at Southeast University. His exceptional qualities and strong research aptitude are indicative of his potential as a future scholar. I have full confidence that he will continue to make meaningful contributions to your program and the broader academic community.

Should you require any additional information or have any inquiries, please do not hesitate to contact me.

I appreciate your consideration of Hussain Ahmad's application and am certain that he will excel in your academic environment.

Sincerely,

Dr. Mahmood Ahmad
